February 10, 2023

Dear Parents,

This letter is to accompany the Income Tax Receipt (ITR) for the religious education component of your tuition paid during the 2022 tax year. The ITR will be delivered by email on Friday, February 10, 2023.

As you are aware, every year our school system issues ITRs to parents/guardians or other individuals who have paid for a student's tuition. You should include this ITR amount in the *Charitable Donations* section of your income tax return.

The system the school used to arrive at the dollar value of the ITR has been approved by Canada Revenue Agency (CRA). It involves a calculation methodology to determine the religious component of your child's education, and this component qualifies for a tax credit.

The value of the tax receipt you have received is unique to our school. It is important for you to note that our tax receipt may be different compared to another Catholic School. This is, of course, due to the fact that every individual school has differing amounts of revenues, expenses, timetables and teaching staff. Therefore, comparisons between schools are not valid due to these varying circumstances.

On behalf of our school community, I am pleased to enclose your tax receipt for the 2022 tax year, and I thank you for your support of our Catholic school.

Yours in Christ,

Fr. Salvador Reyes

Pastor of St. Jude Parish
